

Instructions:

1. Place a cross template over the cross image in the center of the page, lightly securing with a piece of rolled tape.
2. Using various colors of bright chalk pastels, trace around the cross with short lines of colors.
3. Use your finger to push the color out, away from the cross. Remove the cross template.
4. Cut away the bottom of this page on the solid black line. Fold up on the dashed line.
5. Add flowers if desired and color the hill green. Optional: color the cross.
