

Discussion Questions Course 208–2

Large Group

1. How does it make you feel—to know that you are never alone no matter where you go or what you do?
2. When bad things happen, do you ever wonder if it is because you have done something wrong?
3. Was it because of a secret sin Job committed that all the bad things happened to his family?
4. The word “forsake” means to abandon. Will God ever forsake or abandon us?

Small Group

Game

1. What did God tell Job’s friends they must do because of their foolish advice to Job?
2. Is God only with us when we feel happy and safe?

Teaching

1. How can God be with all of us at one time, since each of you said, “God is with ME”? What happens when we all go different places?
2. Guess what omnipresent means.
3. Does this wonderful promise only apply to people who lived in Old Testament times?

Discipleship Challenge

1. Who would like to share a blessing you have put in your blessing basket?

Additional Activities

Building Activity

Bible Study

Philippians 4:4 and 1 Thessalonians 5:16–18:

1. What good things do these verses tell us to do?
2. What is the first word in both of the passages we read?
3. In verse 18, does it say to be thankful only when good things happen?

Job 1:20–21

1. Job had just lost his possessions and children. He was overwhelmed with grief, then in verse 20, he fell to the ground and blamed God—right?
2. In verse 21, Job said he had nothing when he was born, and he could take nothing with him when he leaves Earth. God gave him all he had. Now, after saying this, Job finally blamed God, right?
3. We should praise and thank God for all of His wonderful blessings, but even in the midst of all Job’s grief, he blessed God’s name. Why?

4. No matter what problems we may face, God is worthy to be worshiped and praised for being God! So, when should we praise, worship and thank God?
