

THE NEW TESTAMENT

You'll need:

- New Testament Books Pattern
- Scissors

Before Class you'll need to cut each link from the pattern. **Cut** along the solid lines. Then **fold** the links in half. A dashed line has been placed on each link to use as a guide.

In Class Starting at **Matthew**, have students interlock the chains in the order which books appear in the New Testament. To interlock, **slide** a folded link into the opening of another, then **unfold** to lock.
