

### Craft Supplies

- ✿ Empty toilet paper (bath tissue) tubes  
2 per child
- ✿ Precut Blue and Yellow construction paper
- ✿ Glue
- ✿ Hole punch
- ✿ Yarn

### Super Binoculars Instructions:

- ✿ Use 2 pieces of 6" width x 4" height (or 5", depending on size of tube) blue construction paper with a  $\frac{3}{4}$  inch extended center arc. Use illustration below as a template.
- ✿ 1 piece 12" width x 3" height yellow construction paper. See illustration. (*Note: One sheet of construction paper can be divided evenly into three sections.*)
- ✿ Apply glue to the blue construction paper and wrap each around a tube.
- ✿ Glue two tubes together.
- ✿ Wrap the yellow construction paper tightly around both tubes and secure using glue.
- ✿ Punch holes on the sides of the binoculars and secure yarn or lacing cord to form a neck strap.
