

PHILIP GOOD NEWS SCATTER GAME

Cut apart the five cards. Tape one card on each of the five containers. Place the first four containers in the four corners of the room, with north, east, south and west matching the layout of a compass or map. (See illustration.) Place the fifth container, marked "GOOD NEWS," in the center of the room. Crumple the scrap paper into twenty-four paper balls and place them in the "Good News" container in the center of the room.
