

ADVENT ANGEL CRAFT

Instructions:

1. Provide a toilet paper roll tube to each student.
2. Cut out the angel head. Wrap and glue it around the top of the tube.
3. Cut out the angel body. Decorate if desired. Glue it around the lower part of the tube.
4. Cut out the hair. Glue it to the angel using the circle to cover the top of the tube and the bangs to secure it to the forehead.
5. Cut out the angel wings. Glue them to the back of the angel.
6. Have students draw eyes, nose, mouth and eyebrows on the face of the angel using marker or crayons.
7. Additional decorations can be added to customize. Consider ribbon, lace, small bells, and glitter.
