

SERMON ON THE MOUNT LIGHTHOUSE CRAFT

Instructions:

1. Cut all parts along the solid lines.
2. Cut the solid line on the **Lantern Top**, glue, and fold to create a rooftop.
3. Fold other parts on the dashed lines.
4. Glue the edge of the **Lighthouse Cylinder** and attach to create a cylinder.
5. Glue the three bottom tabs of the **Lighthouse Cylinder** and attach them to the **Rock Base**.
6. Glue the top two lighthouse cylinder tabs. Attach the **Lantern Base** to the tabs, laying it flat on the cylinder.
7. Glue and roll the **Lantern Light** to create a cylinder. Glue the bottom three tabs and attach to the **Lantern Base**.
8. Glue the top two tabs. Attach the **Lantern Top** to the **Lantern Light** to create a roof.
