

ISAIAH SEND ME GIZMO CRAFT

Instructions:

1. Print one per student on card stock.
2. Have students cut out Gizmo's body, neck extensions, and head.
3. Using a hole punch, make holes on the black circles.
4. Using gold fasteners, attach the first neck extension behind the body, matching the numbers. Attach the second neck extension to the first, matching the numbers. Continue to follow this pattern for attaching the neck extensions.
5. Attach Gizmo's head to the uppermost neck extension, making sure the head is attached in front of the extension.
