# PAUL AND BARNABAS MISSION SHIP CRAFT

## Instructions:

1. Use scissors to cut on the solid lines.
2. Optional: Glue flooring to the bottom of the ship.
3. Teacher: Give each child three pipe cleaners.
4. Form a circle with the bottom 1/3 of each pipe cleaner.
5. Tape each pipe cleaner to the white circles on the bottom of the boat. For more stability and to weight the boat, pennies can be taped down inside each circle.
6. Teacher: Punch holes through gray circles in each sail.
7. Weave the sails onto the pipe cleaners.
