A song with Miss Tina and her friends

"Humble More"

CHORUS

When you're prideful you're going to fall
Nothing wrong with being sure of your call
When you pair success with humility
1, 2, 3, 4, braggy less, humble more

VERSE 1

I present you a new regimen
Represent humbleness every day
My teacher talked to the seas
Turned a storm into gentleness
Never did he boast once, put other folks up front
1, 2, 3, 4, braggy less, humble more
The easiest method is pride; it's always a negative slide
Sit at the foot of the table whenever you're able
Respect, a very big deal
Peace to the chef, and the place, and the meal
Un, deux, trois, quatre,
Run away from pride never ever let it catch ya

CHORUS

VERSE 2

Instead of praising myself
I could be thanking others for giving me help
Keep it low key, keep it, keep it low key
Ichi, ni, san, shi, I'll build up you, you're building up me
1, 2, 3, 4, braggy less, humble more
When you feel like the best; humbleness, humbleness
In the field or at a desk; humbleness, humbleness
When someone else made the mess; humbleness, humbleness
With a Tyrannosaurus rex; try humbleness
Let's imitate the One; let's emulate the Son
Now wrapped in grace we need to care for everyone
1, 2, 3, 4, braggy less, humble more
