"Obey"

VERSE 1

Whole day span's been planned
But now Professor says do something different
And man, I'm not a fan.
Maybe he knows things we don't understand.
Yeah, he saw my plan and he took it from my hand.
Remember Noah making the ark with no rainfall?
God knew that Noah was busy, but God came to call him
Out of his comfort zone to be a great leader
To lead God's people he needed to dig deeper.
Obedience! Sometimes we need to just trust.
Obedience, obedience! God knows what's best for us.
Obey your parents, obey your teachers
They're raising you up to become a great leader.
Obedience! Sometimes we need to just trust
Obedience! God knows what's best for us.
Obey, obey. I want to go God's way (2 times).

VERSE 2

I don't always like what authorities say
But I do it anyway 'cause it's right to obey.
That's right! It's important to listen to the people
Who protect us, our dreams, and our visions.
The ball goes long and I'm running to get it
But the coach calls out and he says to forget it.
Why? I'm fast enough, but I look at the street.
The cars are much faster and that's dangerous to me!
God wants us to listen 'cause He knows what's best for us to do
God loves us forever and He wants us to obey His truth.
Obey, obey. I want to go God's way (4 times).
